ABOUT US

Mindaflex Sdn. Bhd. (formerly known as Mindaflex Training Academy PLT) has been a corporate training and consulting company since 2010. We specialise in training and development in management and both technical and non-technical skills.

We work together with companies as a smart partnership, providing soft skills and hands-on solutions to help solve their day-to-day business and operations.

We believe in a comprehensive approach—becoming a part of our clients's businesses and knowing as much about their operations and challenges as possible. We want to support you in meeting your business needs and, most importantly, achieving your goals of improving bottom-line results and sustaining your competitive advantage.

Our Vision:

To be the preferred one-stop training and consultation solution that acts as an umbrella and a development hub for a network of professional individuals who are experts in their own respective fields.

Our Mission:

To be a team of dedicated experts, focusing our individual talent and energy on helping our customers' needs develop their human capital through our shared values.

Our Objectives:

To provide basic, intermediate, and advanced knowledge and skills to employees required for intelligent performance definite for technical and non-technical tasks.

Our Core Values:

- **Passion to Excel**
- **Responsible at Work**
- **Integrity: The Power of Trust**
- **Dedicated to our Customers' Success**
- **Enterprising as a Team**

Corporate Strategy

Mindaflex Training Academy is an academy that gathers all trainers that have their own specialties in their own respective fields, with a major focus on the food industry. Each individual's unique background, education, and working experiences are gathered under one roof so they can enhance their skills and knowledge in their respective fields and widen their network at the same time.

Our Quality Policy

Commitment to Quality

Mindaflex Training Academy is wholly committed to our quality policy, which is in place to ensure our services fully meet the requirements of our customers at all times. To achieve this, we are committed to implementing, maintaining, and continually assessing training materials and content with the customer in order to meet their needs.

Approach to Quality

We firmly believed in the concept of customers and training providers working together to pursue this policy and to continually strive for improvements in service quality.

The Quality Policy is based on 3 fundamental principles:

1. Ensuring that we fully understand and conform to the needs of our customers.
2. Looking at our training content and customer training needs, identifying the potential for errors, and taking the necessary actions to eliminate them.
3. Ensuring the feedback form is filled out by participants after each training session.

Responsibilities

These are outlined as follows:

- Responsibility for delivering quality services rests with everyone at Mindaflex Training Academy.
- Each trainer has responsibility for monitoring the quality of services in their area of business.
- Overall responsibility for maintaining and evaluating our quality management system rests with the director, with the support of the senior trainer.

Certifications:

- 1.Certified by the Ministry of Health Malaysia as a Food Handler Training School to conduct food handler training since 2010.
- 2.Certified ServSafe Instructor and Registered ServSafe Examination Proctor by the National Restaurant Association Educational Foundation, USA.
- 3.Certified Food Safety Auditor under ACB MOH
